

Who We Are

DMHC is a physician owned and managed practice of over 80 clinicians catering to the unique needs of complex patients across the state of NC. We are proud to be a NC owned & based business headquartered in the Research Triangle area of Durham. Our office houses over 130 dedicated team members that aid our clinicians in the delivery of care to more than 8500 patients.

What We Do

Our clinicians provide on-site primary care, urgent care and specialty services in a variety of settings including 300+ Assisted & Independent Living Communities, private homes, family care homes and businesses. We are currently offering full or part-time positions for select areas throughout the state.

Why We Stand Apart

- **Average daily patient load of 12 to 15 patients (no required productivity goal), usually visiting an average of 2 locations daily in your community and perimeter**
- **Enjoy long term relationships with a small panel of complex, interesting and grateful patients**
- **No set appointment times or limited time with patients**
- **Flexible daily start times allowing you to create an optimal commute**
- **Optional administrative day working from your home office or our headquarters**
- **Higher than average pay that usually ranges from \$200,000's to mid \$300,000's...with no cap on earnings**
- **Benefits including Medical, Dental, Short Term Disability, Vision, Profit sharing, and Malpractice with tail**
- **Full support with extended hours from more than 130 administrative staff including a dedicated team of 2-5 organizers, coding, billing & insurance experts and an accessible medical director**
- **Enjoy a better work/life balance work as you spend less time in the field and complete administrative tasks from your home office**
