How to Keep Your Faculty Profile Up to Date

Faculty in the Department of Medicine are encouraged to check your profile to confirm the basic information and to provide short descriptions of your clinical and research activities. You can update your profile whenever you wish. Follow these steps to edit and update your [Scholars@Duke](#) profile:

1. Visit <http://scholars.duke.edu>.
2. Search "People" for your name, and click on your profile.
3. Click "Manage This Profile" to make edits.

Note: You may designate someone else to manage and update your [Scholars@Duke](#) profile.

Profile Checklist

Please use this checklist to review and update your profiles.

Check your Medicine profile	How to update
1. Confirm your name .	Your profile displays the Professional Name from your official dFac entry. Request a change by contacting DOM APT team .
2. Confirm your appointment(s) .	Contact DOM APT team .
3. Confirm your phone and address .	Go to Duke@Work , select the "MyInfo" tab and choose "MyProfile" then "Maintain your addresses and phone numbers" and the "External Mailing Address and Phone" option.
4. Confirm your campus email .	Visit the OIT Account Self-service tool , expand the 'Manage Directory Listings' section, click on 'Change your preferred email address', then select your preferred address or enter a new address.
5. Review your photo .	Upload new image in Scholars@Duke , or request new photo. See Update Your Photo , above.
6. Review the text about your research, teaching and clinical activities .	Change the Overview field in Scholars@Duke .
7. Confirm your education and training .	Contact DOM APT team .
8. Review your list of active grants .	Contact DOM Research Administration .
9. Update your list of publications .	Sign into Duke Elements , view your Pending Publications, and approve those that you want displayed on your Medicine profile.
Check you Duke Health profile	How to update
1. Confirm the key elements of your profile (name, degrees/credentials, specialty title, and appointment phone number).	Visit https://providers.dhe.duke.edu , search for yourself and click your name to edit your profile.
2. Review the location(s) where you provide care. Make sure every location where a patient can see you is included.	Visit https://providers.dhe.duke.edu , search for yourself and click your name to edit your profile.
3. Review your 'About Me' statement and 'My Research Interests' statement (if applicable).	Visit https://providers.dhe.duke.edu , search for yourself and click your name to edit your profile.
4. Verify you have a photo .	See Update Your Photo , above.
5. Verify you have a video message .	If you have not yet scheduled a video interview and would like to do so, please visit this link for information on how to schedule a video interview.
