

# The Annual Califf Medicine Resident Research Awards- 2019

**Califf Medicine Resident Research Awards – will be presented on**

**May 3, 2019 Department of Medicine Grand Rounds 7am-9am**

## **Oral presentations-**

- The abstract due date for oral presentation entry is **April 14, 2019**
- Clinical, basic science, medical education research projects and QI projects carried out at Duke are eligible for oral presentation entry
- Supporting letter from mentor with whom you carried out the work is required
- Supporting mentor letters are addressed to “The Califf Medicine Resident Research Award Committee” and emailed to Dr. Arcasoy
- A faculty committee will review and score each abstract. The scores will be tallied and the top **three abstracts** will be selected for oral presentation
- The award is \$500 to each of the 3 selected presenters
- You can submit more than one abstract for different projects
- Please email Dr. Arcasoy: [murat.arcasoy@duke.edu](mailto:murat.arcasoy@duke.edu) with any questions and to submit the abstract and supporting mentor letters
- Case vignettes are not presented during the oral session but welcome as posters

## **Poster presentations-**

- **If you are presenting a poster, you do NOT need a mentor’s letter**
- You are encouraged to submit an abstract for oral presentation as above AND present a poster of the same work
- You do NOT need to submit an abstract of your poster, just prepare your poster and drop it off in the MedRes office by May 2<sup>nd</sup>. We will hang them for you.
- Please sign up to present a poster (we will send a qualtrix to sign up) so we can order correct number of poster display boards. You can present > 1 poster
- We will help you print your posters and cover the cost of printing
- **Three posters will be selected** for best poster awards by the Chief Residents during the poster session on May 3<sup>rd</sup> beginning at 7 am
- For poster presentation: research projects, case studies/vignettes, quality improvement projects are all welcome
- Poster presenters selected for the best posters will be awarded \$250 each. There will be a total of 3 poster awards
- Previously presented posters (eg at ACP meeting or other subspecialty meetings) are especially welcome. Please drop them off at the MedRes office
