

The Duke Outpatient Clinic

Your trusted healthcare provider for Adult Primary Care

Quality adult primary care by Duke University Internal Medicine

Service Philosophy

At Duke Health, service is our highest priority. We value compassion, courtesy, dedication, honesty, innovation, and teamwork.

Mission

The Duke Outpatient Clinic (DOC) is a world-class, interdisciplinary medicine practice that provides innovative, high-quality, team-based care to a diverse, often underserved population of patients and families; and thoughtfully trains future healthcare professionals in providing whole-person care.

Vision

The DOC will be a bold, nationally-recognized medicine teaching practice, providing innovative, whole-person care and advancing the well-being & growth of our patients and team.
