

Tidelands Health is three hospitals and nearly 50 outpatient locations that stretch from North Myrtle Beach to Hemingway. More than 2,000 physician and employee partners are working side by side with our patients to

Tidelands Health is our region's largest network of health care experts dedicated to helping people live better lives through better health. It's our mission.

transform the health of our region -- promoting wellness, preventing illness, encouraging recovery and restoring health.

Each year, around 12,000 people trust Tidelands Health for inpatient care, more than 400,000 visit our outpatient locations, more than 8,000 surgeries are performed, and our emergency departments are visited nearly 65,000 times.

Tidelands Health is a community-based, not-for-profit, independent health system that reinvests millions of dollars each year into our facilities and technology.

## INTERNAL MEDICINE:

We are recruiting several internal medicine physicians to join our primary care outpatient practices. These opportunities are part of our 50-physician multispecialty group and are system-employed in single specialty practices with multiple providers.

- Practice locations are in Myrtle Beach, Murrells Inlet, Pawleys Island and Georgetown.
- Inpatient services are provided by a hospitalist group of 14+ physicians.
- We offer full specialty support from gastroenterology, neurology, oncology, general surgery, cardiology, pulmonology, rehabilitation and others.
- Practice hours are Monday-Friday, 8 a.m.- 5 p.m. Flexible on days. Call varies by location. Superb support staff of experienced providers, nurses and administration.

### Benefits and compensation include:

- Competitive base salary, plus incentives
- Generous signing bonus and relocation package

## About our region.

- The Census Bureau estimates the Myrtle Beach metropolitan statistical area, plus Georgetown County, totals nearly 500,000 people.
- Our area has been identified by the Census Bureau as the second fastest growing region in the U.S.
- The Tidelands region offers open-ocean, inlet and river recreational fun.
- There are more than 100 golf courses in the area.
- Murrells Inlet is considered the seafood capital of South Carolina, and great restaurants abound.
- The history here dates back to the early 18th century and earlier.
